📍 Rue Pichard 22, CH-1003 Lausanne

Tristan Gigon advises companies, entrepreneurs and investors on a broad range of corporate and commercial matters, including transactional, advisory and contentious matters. He assists startups and their founders throughout the various stages of their development, from incorporation and structuring to financing transactions and exit. He also advises Swiss and international investors on investments into Switzerland, as well as non-profit organisations on the structuring of their projects, their establishment, governance and operations.

Admission — Admitted to practice before all Swiss courts

Languages — French, English, German
